

# Coram Remote Unit CRU-1

Power	
Input	AC 100 V to 240 V
Input Port	
DC 12-24V	Used for power router, network switch, and NVR
PoE	Used for all cameras and IP speakers, depending on configuration
Fan Power Interface	DC12V, 2.5A
Heater Power Interface	AC 100 ~ 240V to DC 12V, 8A
NVR Power Interface	AC 100 ~ 240V to DC 48V, 2.3A

General	
Surge Protection	6 kV
Working Temperature	-40 °C to 70 °C (-40 °F to 158 °F) Temperature control module is included
Working Humidity	≤ 90% RH (non condensing)
Weight (Without Camera)	≤ 16 kg (35.27 lb)
Dimensions	650 (H) × 424 (W) × 230 (D) mm
What's Included	5G router w/ antenna module Coram Point 4 Video Channels (CP-I-1-30D) PoE network switch
Rating	IP56
Certification	CE-EMC, FCC
